INVESTED FUNDS

You perhaps noticed the income from "Invested Funds" in the financial report and wondered about it. Beginning this month a little column will seek to inform you of this source. A final item will then be the present location of these funds and their worth.

Thanks to Mrs. Alice Austin and Mrs. Elizabeth Pearl for this and future articles.

The John Tyler Fund

John Tyler was the son of Deacon Bradford Tyler and lived in the Tyler-Austin house (now owned by John G. Bolton) when he died in 1892. He was more interested in financial affairs than farming, so accumulated quite a fortune for those days. Having no immediate family, at his death, after bequeathing small amounts to some relatives, he left the residue of his estate, \$30,000, to the Second Parish "for the support of the gospel".

EMILINE GARDNER FUND

(This is the third article in our series on the invested funds of the Church.)

Mrs. Emiline Gardner, the daughter of Mr. and Mrs. Asa Kimball, lived in Maine but at the death of her husband she returned to West Saxford to live with her parents in the house now owned by Mr. and Mrs. Everett Chadwick. She gave to the parish in 1898 \$500.00, which is invested in the Andover Savings Bank.

INVESTED FUNDS

(This is the second in a series of articles explaining the Church's invested funds. The final article in the series will give the present status of the funds and where they are now invested.)

EPHRAIM FOSTER FUND

Ephraim Foster was the son of Simon Foster, a native of North Andover. In the early 1830's he bought the newly erected house of Mr. Henry Sullivan, later owned by Mr. John I. Ladd, and now occupied by the Frizzell family. Mr. Foster also owned a store on this same piece of property. At his death in January, 1835, he bequeathed to the West Parish \$500; also \$1,500 to build and support a public school. These bequests were received upon his wife's death in 1864. The money for the church, \$500, is invested in the Essex Savings Bank.

Owing to changing laws and methods it was impossible to use the fund left for a school and it accumulated to about \$3,850. Finally, court action made it available for use in purchasing books for the library for the school children. This is invested in the Essex Savings Bank and the Andover Savings Bank.

ALONZO J. HENLY FUND

(This is the fourth in our series on the Church's invested funds.)

The house now owned by the Paisley family was built in 1867 by Mr. Alonzo J. Henley. He built a blacksmith's shop and carried on an active business until his health failed. He was an active church member and was fond of music, often inviting friends to come to his house for a musical evening. In his will of 1910 he bequeathed to the Church \$2,00.00, the interest only to be used to help furnish music for the church services.

OUR INVESTED FUNDS

The two remaining funds of the Second Parish of Boxford have been received from the family of Mr. & Mrs. George W. Chadwick, who lived in the house now owned by Mr. and Mrs. Prevost. They were a very active family in our church; one son, Walter, being a deacon for many years and two daughters, Inez and Blanche, attended church and Sunday School where Inez was a teacher. Mr. Chadwick died in 1912 and in 1935, after the death of their mother, Sophronia, the children (Byron, Walter and Inez) made a gift of \$2,000.00 in memory of their father. This was deposited in the Pentucket Savings Bank in Haverhill.

In 1951, after the death of Blanche Chadwick, the only one of the family left, a gift of \$5,000.00 was received with the request that it be called the Sophronia Chadwick Fund, in memory of her mother. This money was invested in telephone stock and thirty three shares are owned by the Parish.
